Prospective Client:

I am a physically fit, thirty-two year old with over 12 years of Israeli military and armed security experience. Having spent many years working with various Israeli security units, I have learned to adapt to multiple situations and keep a level head when faced with conflict.

I run real-world, scenario based training programs in Israeli combat firearm techniques and threat awareness training each week and specialize in threat assessments for institutions around the country.

I look forward to working with you and your institution to help you, your family and your community to be more safe and secure.

Thank you for your consideration,

Ben Goldstein
